

What are the benefits for an employer?

- ✓ \$4,750 payable to an employer for successful completion over 12 months
- ✓ Dedicated **yourtown** Indigenous mentor who supports and walks you through the easy process of selecting an Indigenous student to meet your business needs, and continues to support the student, employer, parents and registered training organisation (RTO) during and post traineeship
- ✓ We do the hard work - match Aboriginal and Torres Strait Islander students who have an interest in working in your industry, refer, shortlist and arrange interviews
- ✓ An extra pair of hands in your business for 375 hours/50 days for 12 months
- ✓ An opportunity for an employer to give a young Indigenous student paid work and experience in a real workplace environment

School Based Traineeships for Aboriginal and Torres Strait Islander Students

Example Case Study

Leila* is a 17 year old Indigenous Year II student studying a Business Administration Traineeship (Cert III).

By participating in our School Based Traineeship program, you'll have a student like Leila working for you while receiving the following benefits^:

Hourly Rate \$9.94 @ 1 day (7.5 hours per week)
= \$74.55 x 50 days = \$3,727.50
(total cost over 12 months)

✓ Payable to Employer at 6 months: **\$2,250**

✓ Payable to Employer at 12 months upon successful completion of traineeship:
\$2,500

Return to Employer: **\$1,022.50**

yourtown staff will talk you through how to maximise your return.

*Name & photo have been changed.

^Indicative figures only.

Who are we?

yourtown is a national community-based organisation with over 56 years' experience working with young people facing challenges engaging in learning and work. We currently operate across five states, employing over 650 people who are committed to helping young people build brighter futures.

We deliver personal support, education, training and employment services at a local and national level. Since 2009, **yourtown** employment services has placed over 16,000 young people into jobs.

We also operate Kids Helpline, Parentline in QLD & NT, local parenting programmes and specialist family accommodation services, providing face-to-face, web-based and telephone counselling services and support.

What is a School Based Traineeship?

An opportunity for Aboriginal and Torres Strait Islander school students in years I0 and II to complete an apprenticeship or traineeship while continuing in school, with the goal to continue to higher education or transition to work.
